

Fact Sheet

The Trade Desk™ is the global leader in advertising technology, redefining how brands and agencies connect with audiences with greater precision and impact. Our self-service, cloud-based platform offers powerful tools to create, manage, and optimize programmatic campaigns across devices, leading to a better, more relevant ad experience for consumers. By partnering with leading data, inventory, and publisher partners, we expand reach and enable more strategic decision-making. We are committed to fostering a healthier global advertising ecosystem across display, video, connected TV, audio, and native formats. At the same time, we support quality journalism and premium content, driving the growth of the open internet and creating meaningful, objective value for all.

Company culture

We're uncompromising when it comes to prioritizing our people and our culture above all else. The values we share as a company — including grit, generosity, and openness — are not only at the heart of who we are, but also define how we do business. That's why we're proud to be recognized year after year as one of the best places to work by numerous organizations and media outlets.
